WORK

Ridouts Law

Intern

London Marylebone High Street

[June 2016 – August 2016] , [June 2017 – August 2017]

- Evaluated the research methods of the firm, understanding how client information is dealt with in confidentiality and compliance
- Analysed over 500 financial records, completing in-house accounting needs for the firm, resulting in understanding the core business
- Created 3 daily article updates for the firm's website, whilst completing other tasks required by senior partners such as administration work for court documentation while shadowing a paralegal. This in turn, relieved stress in the firm and thus allowed time to be spent organising other cases

Attended court hearings in Manchester with a senior partner, furthering my understanding of the professional sphere and the communication process between barristers and solicitors

HW Fisher

Work Experience

London Kings Cross NW1 3ER

8th Dec 2016 – 15th Dec 2016

- Ordered and processed over 500 audit files and receipts for the forensics department
- I was exposed to the methods used to automate monotonous tasks using the VBA programming language in Excel To allow for more efficient use of time, for example finding trends in large data sets using code

Hawksmoor Steak Restaurant

Bar Back/Bar Staff

London, Regents Street

August 2014 – December 2015

- Led a team of 5 in the Bar back group when the supervisors were not working, which allowed me to use my organizational skills and communication to lead a team
- Worked in a high intensity environment under extreme pressure enabling me to learn how to complete each task quickly, professionally and efficiently
- Collected, washed, sanitized and restocked all glassware for repeated bartender use, keeping the workstation stocked with liquor, napkins straws and ice during rush hours where bartenders needed assistance the most. Along with performing general duties such as taking out bins, and complying with special requests given out by management

LEADERSHIP EXPERIENCE

University Of York Men's Football Team

University Football Team Captain

York, United Kingdom

September 2016 – June 2017

- Managed a team of 15; running two weekly training sessions, coaching, match preparation and organising the logistics for home and away games
- Created clear organised direction for the team through more regular training; leading on the pitch to motivate my team has resulted in a constant win record amongst the football club

SKILLS, ACTIVITIES & INTERESTS

Languages: English (first language), Fluent in Spanish;
